### Prophetic word given January 27, 2003 – Diane Scalchunes

The Prince of Tides is about to move. Yes, I am calling Myself the Prince of Tides. And why not? Did I not create the oceans? Was it not Me:

**"Who shut up the sea behind doors when it burst forth from the womb, when I made the clouds its garment and wrapped it in thick darkness, when I fixed limits for it and set its doors and bars in place, when I said, 'This far you may come and no farther; here is where your proud waves halt'? (Job 38:8-11NIV)**

And I tell you I am about to move My boundary regarding spiritual waters, for a wave is coming through My Church and will pass through this house. And I tell you that if you are found in unforgiveness, I will not be able to protect you. For did I not say to you it was not the time to be found in a sin confess, sin confess, sin confess pattern. Did I not say to you the hedge of protection that was on you then will be removed? Did I not say to you that I have grace for you to go outside the camp to put the Blood of Jesus on resentment, on unforgiveness and bitterness?

For I have showed you unforgiveness, anger and bitterness. I have showed many of you it as an alligator. All of you have played footsies with this demon, but for some of you this demon has a stronghold on you. And I am telling you that these alligators make you snap; they fill you with oppressive thoughts about all the things that you have suffered wrong from another. Now is not the time to have this alligator have a hold on you. Alligators live in shallow waters; I hold it back from going out deep. You must take this time out and go deeper and there I will give you godly, I emphasize the word godly, wisdom on how to draw boundaries with people who abused you. I will give you the grace to truly walk in forgiveness; and I will also show you where you are in error and have false expectations of other people.

For again I say to you that there is a wave of glory that is coming and I **“the Lord your God walks in the midst of your camp to deliver you and to defeat your enemies before you, therefore your camp must be holy and He must not see anything indecent among you lest He turns away from you” (Deut. 23:14)**. There is not much time, but you still have some time. Grab hold of the grace that is available these days.

The Lord has a life preserver and we need to put in on for it will not be an easy ride. Stay in Me. Hold on to Me for safety. It will be a rough ride. If you hold on to Me the undercurrent will not take you back. Just put Me on for I am the life giver. I am your life preserver. Get ready because this wave is coming.

I accompanied 13 and 14 year old boys on a field trip to the Liberty Science Museum. And what I am about to tell you; if you grab hold of it you will have liberty. Wherever they went, I went. They led me to this black tunnel and in order to go through this black tunnel, which is in total darkness, you have to crawl. Before you could go in the tunnel you first had to get rid of all the possessions you had. You had to give it to the people who were in control. So I gave them my bag and all that I had. In order to get through those dark times where we cannot see we have to relinquish control by getting down low. We can't manage if we are carrying any baggage.

Then they said, "You will get through this if you keep your left hand on the wall. If you take your left hand off the wall, you will get lost in there." And the wall is the wall of the watchman. We have to keep our hands on the wall. We have to be a people of prayer or else we are going to get lost in the darkness.

There were some girls, before we went in, that veered off and got lost. But you know what? A way out was made for them; the people who were in the control booth found the girls and got them out right where they were. And God will make a way for us.

It was pitch black and very claustrophobic and if you didn't have your left hands on the wall, you'd get lost. We paced ourselves, we knew people were in front of us and that gave us comfort. And we have a great cloud of witnesses that have gone before us.

The boys were cracking up and being very joyous. When they felt a little claustrophobic that joy will bubble up. And we must keep our joy when we cannot see, when we are brought down low.

At the end, there is a part where you have to go down a hill. I couldn't see. I didn't know how long the hill was, but the people who went through before me told me it wasn't that long. The people who went before me said you can go through it on your knees.

And I tell you something, you feel very alone in there but the control people had night vision cameras. And when I was trying to make a decision if I should go down the hill on my knees or slide, somebody immediately asked me if I was all right. See, they were watching me. And we have to get up on that wall because the Lord is watching and if we need help, He will provide a way of escape. And we can get through everything. We can get through everything on our knees. And if we need help, we do not even have to cry out to Him. He answers us before we can even cry out. There is a way of escape.

The Lord is calling us to a deeper intimacy with Him. He says, "I IN YOU AND YOU IN ME." I saw the bottom of a tree wrapped with weeds going towards the roots. The weeds are not good for us and they are trying to choke out the roots. The Lord wants them to go. The Lord is coming like a weed cutter to cut the weeds down that want to choke our roots. Matthew 13. He is calling for a deeper intimacy with Him. I in you and you in Me.

### **Prophetic word and vision given May 11, 2003 – Colleen Wheeler**

When we first entered into worship I heard and saw the word---LOUNGE. Then the very beginning of worship sounded like lounge music to me---then I saw a women singing, she was as a lounge singer. That's when I was reminded of the phrase Life is a Cabaret. Then I filed it.

Soon the Lord showed me a big white swan. The swan was still but gliding ever so slowly on a crystal clear lake. Then I saw the swan lift his wing up high.

Then I saw little ducklings. They were not white, but dark in color. They were clearly young and swimming toward the wing, but they were not perfectly lined up as most young ducks are.

The Lord gave me a scripture verse from Galatians 5:7 and 10. The word, vision and scripture tied in the prophetic word.

I looked up the definition of Cabaret and it said that it was a place of entertainment, drink and food. I believe that the Cabaret is Jezebel that wants to distract the young ducklings. It is a spirit of deception and allows them to think that feeding on this form of entertainment is ok.

### **The prophetic word:**

***Galatians 5:7 You were running well; who hindered you from obeying the truth? This persuasion did not come from Him who calls you.*** I am as a swan upon a crystal clear lake. I eye is on you. I am watching you. I see you, My little ducklings. My wing is lifted and I am waiting for you to line up and come to Me. Line up and come to Me. I say to you, "Life is not a cabaret." This is not the kind of entertainment I am calling you.

LIFE IS NOT A CABARET! My wing is lifted high for you and I am waiting for you to come to Me. Come to Me and I will give you rest. ***Galatians 5:10 I have confidence in you in the Lord, that you will adopt no other view; but the one who is disturbing you shall bear his judgment, whoever he is.***

I keep hearing, "You are My chosen instrument." "You are My chosen instrument."

When the Lord appeared to Ananias, He commissioned him to go to a street called Straight and to find Paul. He was to tell Paul that he is the Lord's chosen instrument. After he laid hands on Paul, the scales came off of his eyes and immediately he began to proclaim the good news.

As an accordion is an intricate instrument with many buttons and many keys to play its music. I say, "Do not worry about how you will play, you will do just fine, I have given you all the tools you need to go forth in power. My hand will be upon yours as you step out in faith, trust in Me and I will be with you. You will be heard as you proclaim My word."

Don't forget that the Lord also told Ananias that Paul would suffer for His name's sake. So we will suffer for His namesake too; be prepared.

### Isaiah 43:19-44:5

**19 "Behold, I will do something new, now it will spring forth; will you not be aware of it? I will even make a roadway in the wilderness, rivers in the desert.**

**20 "The beasts of the field will glorify me; the jackals and the ostriches; because I have given waters in the wilderness and rivers in the desert, to give drink to My chosen people.**

**21 "The people whom I formed for myself, will declare My praise."**

And the Lord was saying, "I am doing a new thing. Don't you see it? For behold the winter is past and the rain is over and gone. The flowers have already appeared in the land. I am doing a new thing. Just *can* the former thing; *can* your past; *can* the things that you've done in the past – your ways; the ways that you've done things. For in the midst of you I have put My river, I have put My river in the midst of the wilderness. And it is here for you to drink from. It is here for you to swim in. It is here for you to get healed in. It is here for you to bring others to My river in the midst of the wilderness. And again, *can* the former things for I am doing a new thing. You *can* expand this river. You *can* dig deeper, but you must stay in the river – a new thing in your midst."

The Lord showed me a huge tent and I saw the cords and the stakes. He showed me a steak too. Then He said: 2 Chronicles 2:4-6 - I shared the vision then read from:

### Isaiah 54:2

**"Enlarge the place of your tent; Stretch out the curtains of your dwellings, spare not; Lengthen your cords, And strengthen your pegs.**

The Lord is saying, "I am getting ready to enlarge your territory and lengthen your cords. I am as a T-bone steak and have dripped My blood for My people. How can I expand your tent when the stakes are sitting on top of the ground? You need to be willing to suffer for Me in order for the tent to stay in tact. The way up is down. Your roots need

to be in Me. I am calling a people to be as a strong stake, willing to be hammered down into the ground thus partaking in My sufferings for My Name sake."

**2 Chronicles 2:4-6 4. "Behold, I am about to build a house for the name of the Lord my God, dedicating it to Him, to burn fragrant incense before Him, and to set out the showbread continually, and to offer burnt offerings morning and evening, on Sabbaths and on new moons and on the appointed feasts of the Lord our God, this being required forever in Israel. 5. "And the house which I am about to build will be great; for greater is our God than all the gods. 6. "But who is able to build a house for Him, for the heavens and the highest heavens cannot contain Him? So who am I, that I should build a house for Him, except to burn incense before Him?"**

### **Prophetic word given June 23, 2003 – Colleen Wheeler**

I feel a word stirring in my spirit

*"Rise up, rise up and let your enemies be scattered!"*

The Lord is calling us to become warriors for Him.

It is time to put off the old garments and put on the new.

Watch your back, about face, turn around! The enemy is like a roaring lion ready to devour, he is crafty and subtle and will even use each other to throw his darts.

Do not look in the natural, put on your spiritual eyes, and see things this way.

Our battle is not carnal. Rise up saints and become the army that I am looking for."

### **Prophetic word given August 10, 2003 – Colleen Wheeler**

The Lord showed me three things: I saw Bright Blue Water and He said, "In My sea I have many revelations for you." "In My sea I have many revelations for you." Then I saw a multitude in the valley of decision. There are multitudes in the valley of decision! Then He said, "We must first confess our sin and He will cast our sins in His Sea of forgetfulness." This is what He showed me.

### **Prophetic word given August 17, 2003 – Colleen Wheeler**

The Lord gave me a revelation on linen. Some of you put on a linen outfit, but as you go through the day it wrinkles. Linen is the type of material that wrinkles very easily. But the Lord is saying when you put Me on you have to keep Me on without wrinkle. You have to keep your spiritual iron on. You have to keep the wrinkle smooth because He is coming back for a Church without spot and without wrinkle. So when you put Me on keep Me straight and smooth. Keep Me ironed. I'm coming and I am coming quickly!

### **Prophetic word given August 31, 2003 – Diane Scalchunes**

The Lord has dropped this in my heart that we have boxed Him in by our assessment of other people's walk. And He is saying, "Don't you know you don't box Me in; I box you in. I have taken prostitutes and within a moment converted them into passionate lovers of God and His ways. He called into being that which is nothing and makes something out of nothing. He chooses to make something out of nothing."

### **Prophetic word given September 22, 2003 – Colleen Wheeler**

The Lord is trying to say something through a few visions. Do not be deceived in this hour. The devil is a liar. The enemy is like a lion, for he is roaring and seeking to devour. He showed me a wolf, he is threatening us and he is saying, "I am going to huff and puff and blow your house down." But this is a lie. It is a lie from the enemy! And we have the Word of God and the Word says, "The gates of hell will not prevail against His house;" and that is what the Word of God says. We have the Word of God and we have to speak it to the pit of hell. Speak to the enemy with God's Word. You must speak to the enemy with the Word of God. We have to fight! He is giving us all the weapons to fight with.

I also saw a can and I saw it turned over and there were worms. The enemy wants us to look back. But God says, "No, do not look back. Move ahead. No opening up the can of worms." God is giving us the spirit of humility. He loves us so much; we have it all. We have the Spirit of wisdom; we have the Spirit of discernment. Then I saw a bunch of toy snakes pop out of the can all over the place. Turn from all of this stuff, the trickery. I heard the word TRICKERY. The enemy wants to trick us, wants to lie, kill and destroy. The enemy wants to do all these things but God says, "NO!" I am greater, I am better and I have bestowed upon you all good things. It all comes from Me because I am the Father of lights and you are My children. Just come and believe that I have all that you need to combat the father of lies.

### **Prophetic word given October 5, 2003 – Diane Scalchunes**

The Lord is saying, "Why are some of you still holding on to that bag; that bag of depression? If you have accepted My free gift which is the shedding of My blood for your life. That blood paid for that depression. Why on earth are you holding that? I've already bought that thing! Come to think of it, why are you on earth? You are seated in heavenly places. Why aren't you above this stuff? Just hand over this depression right now. C'mon hand it over. Why do you want that? Why are you calling it 'my depression?' Is it really your friend? Let it go. I can give you joy that will snuff that stuff out every single day. Let it go. Break off your alliance with it. It's not yours."

### **Prophetic word given October 19, 2003 – Colleen Wheeler**

I saw a boxing glove, but it was not hitting anything. It was beating the air. Do not beat the air. Paul said that he beats his body for the purpose of the King. Not at things that the Lord can work out in a minute; that's a waste of time and energy. He will work it all out. Rather, fight the good fight of faith!

I saw a tongue and a snowflake coming down from heaven it was touching the tip of the tongue. As the Lord sends the snow from heaven so he sends His Word. It does not go back to Him void; it goes forth to do what He desires. So we should go forth as mighty warriors for Him to proclaim the Word of God as it comes down from heaven. As we taste and see that the Lord is good, we are made aware of our tongue. This is so we could go forth with a Word from heaven. As we proclaim the Word we should be aware that there is a consequence of sin and it is death. (DIANE INTERJECTS: *OUR SINS ARE LIKE SCARLET, MAKE THEM WHITE AS SNOW.*)

The rich man screamed out from the pit of hell to Lazarus. He said, "*Can I have just one drop of water to cool the tip of my tongue, for I am in agony in this fire.*" He was trying to call out onto the other side to warn his family how to avoid hell, but he could not get to the other side.

We do not want anyone to go to hell; this should provoke us to urgency to cleanse our tongue and to proclaim the good news.

### **Prophetic word given October 26, 2003 – Colleen Wheeler**

*"The harbor is safe."* The Lord is saying that "the harbor is safe through My Son Jesus Christ and the power of His resurrection. For I have risen and My enemies are scattered. And you are My sons, My daughters. You are My children. And some of you can call Me Father and others, many others can call Me Daddy. And as a cat looks up to his master and cries out to be picked up, so I look to you and I call you to look to Me and I shall pick you up. I say come up unto My lap. The harbor is safe. You can come up now. And as the cat purrs on the master's lap because of the master's love, so I say that you will purr and you will get healed. Wounds will be healed. You will not be thrown away; you will not be rejected. Not one of you will be snatched out of My hand. I have much love for you because I am your Daddy. Come up unto My lap and rest and You are My child and know that I love you. And you shall be healed."

### **Prophetic word given October 28, 2003 – Diane Scalchunes**

"There is a train coming. A whole load of people are coming. Strike the land with your arrows, church. Don't hold back. Strike the land with your arrows. In these days ahead there will be greater clarity. An acorn can turn into a mighty oak within moments. There are people coming. Prepare the way for the Lord. (As if the people were saying) time out; time out. There are no time outs. Time is precious. There is not enough time. Either you are in or out. Cast all your cares on Me because I care for you. There are a whole lot of people coming. Now is not the time to be sleeping. Wake up; wake up. There

are a whole lot of people coming. The pile driver anointing is coming. It will drive the truth deep within. Wake up; wake all you that are sleeping. Cast all your cares on Me for I care for you. Righteousness, peace and joy in the Holy Ghost that is the Kingdom of God. Stay in it; stay in it. Again, I say to you righteousness, peace and joy in the Holy Ghost that is the Kingdom of God.

Cast all your cares, there's a train coming and it's a mile long. It's a freight train. All these provisions you don't even know exists. Things you've never seen. It is corporate. No one can be sleeping on their watch.

I don't do test tube babies. Things are birth through contact. Real intimacy with Me. I am not into petri tree dishes. I reproduce by contact. Contact made, a birth takes place. No contact; no birth. I am a passionate God."

### **Prophetic word given November 23, 2003 – Diane Scalchunes**

"When you are at an airport and you want to fly you have to go through a security check. You have to go through that security area. If keys are in your pocket and you go through that security area you will be pulled over to the side. The alarm would have gone off and you would have been detained. And in the days to come there will be situations to test you and it will be My security check to see if you can to truly fly. And if you go through these situations with keys in your pocket meaning you are in control and you are the one driving, then you will be detained and pulled over to the side and stripped. And I am telling you that I am right now working with My people who are wobbling. They are not standing. When they try to stand they will start to tilt over. I need to strengthen you and in order to do this; I need to take your keys. You cannot be in control. I have grace for you. These are the people that I am working with in this hour. So when this test comes before you. Save yourself a lot of time and just hand over these keys to Me. If you want to fly, I have to be the pilot."

### **Prophetic word given December 28, 2003 – Colleen Wheeler**

"The deep calls to deep. So I call you deeper in Me. I am your Water in the midst of your circumstances. I am like a glass of water in the midst of your dry and parched land. Some of you have decisions to make. When you open your eyes will you see Me? Will you come to Me? I am calling you to come and drink from the fountain for I am your fountain of life. Come! And for those that drink of Me will never thirst again. Come! Will you come to Me? Do not look at your situation but look at Me for I am the answer."

### **Prophetic word given December 28, 2003 – Diane Scalchunes**

Land can only be taken from the Kingdom of God by pioneers. And Abraham was a pioneer and Moses was a pioneer. Because they left what they knew was sure. And they followed the voice that said, "Come and I will show you a land that you do not know." And I consider you to be pioneers because you have said yes to Me. I will walk this faith walk; I don't have to know where I am going. I will put my trust and hope in you O God each step of the way.

The American pioneers took their covered wagon and filled it with equipment that would be useful for building. They had everything necessary to build once they got to the land that they knew was theirs. And I am your covering and I am asking you what are you putting in your wagons? Are you putting in all the necessary supplies to build once I show you where the land is and what part is yours? And also the pioneers knew that it was very dangerous during the journey so they did not get bogged down with the complexities of life. They would cook their food in an iron skillet all at once. They took their eggs, meat and bread and they would cook it all at once and they would serve it. And I have grace for you not to get bogged down. I have grace for you to be able to serve once you get that revelation; once you get that meat and the bread. I have grace to be able to cook it and serve it all in the same pan. I have grace for you to simplify how to feed My people. But you have to be iron. I'll cook it up in you and serve it through you, but you have to be up and you have to be strong. You have to have that resolve. I will also give you the grace to be able to do multi-tasks because once you start building, it's going to require that but again, you must be iron; you must be strong. You must have the resolve. It's My desire for you to have these things because you are My pioneers. Don't get bogged down now. We're almost there; don't get bogged down now!
