Prophetic word given March 29, 2004 – Diane Scalchunes

The wind of My Spirit is blowing in this ministry. I will blow the doors off. I will blow the roof off and I blow out the windows. And I will tell you what I am after in this move for it has already begun. From the smallest to the greatest you are My vessels. And you were made according to My purpose and for a destiny. But just as a plate that has not been washed and has harden food plastered to it, you have old food that has been gunked up on you for years. You need to be cleansed and you need to be washed. And you know that the dishwashing liquid of My choice is Joy. And when I am done with you, I will surely be able to see My face in you. Some of you have already gone through the process and you are now in My dish rack and you are now standing up right, drip drying waiting for Me to use you. And I will be doing it one, two at a time, maybe three but I will accomplish what I set out to accomplish. And you will all be standing in line in an up right position waiting on Me. So I say to you, beloved don't be surprised of the fiery ordeal among you has come upon you for your testing and for some strange thing that happened to you. But to the degree that you share the suffering of Christ, keep on rejoicing so that all through out the revelation of the glory you may rejoice with exaltation.”

Prophetic word given July 6, 2004 – Diane Scalchunes

This is a word for now.
People are watching you.
After 911 people flooded the church looking for Me but they found hypocrisy,
That was the reason they left in the first place.
People want Me, but you are the only Bible they may only see.
They are watching.
They're hungry for Me.

This is a word for now.
The blind can see – they can see you.
I can open their eyes.
Count the costs.
You want a seat in the front row? Count the cost.
I have too many blind leading the blind; falling into pits!
You are the only Bible they may ever see.
Are you the stench of the law or the fragrance of grace?
Carpe Diem – Cease the day.
This is the day

(My left ear is on fire.)

This is a now word!

Death in the pot.

You cannot be serving people something with death in it.

You can't be My ministers if you are serving yourself!

You can't be My minister if you are self absorbed.

You all have a call on your life.

It's up to you whether or not you are chosen.

The next few days are very important.

People will be watching.

They are always watching how you handle

pressure, criticism; what response you give when provoked, if you are ministering healing in the midst of chaos.

People are always watching.

Are you representing Me to the lost and dying?

When they see you – do they see Me?

Do they feel My love?

Receive My kindness or gentle touch? Or a heavy handed fist of wrath upon their neck!

What about the lost and the dying.

Are they of no importance to you?

Is defending your cause, your rights, what is important?

In the midst of their pain, their hopelessness.

The lost and the dying.

You may be the only Bible they see.

You may be the only representative they meet.

Are you confident that you represent Me?

Or are you representing you!

Think about this,

Ponder it, Selah.

I am calling the humble to die to

their opinions

their rights

their desires

their justices

The American way of doing things for the sake of others.

The lost and dying

Selfless love.

No greater love than this then a man lay down his life for another.

I have ample grace for you to do this.

But, do you want it?
Do you want to give up your rights, justices, your desires?
I have ample grace for you to do this.
I have grace for you to have My ways, heart, mind.
But you've got to want it.
People are watching.
Do you deceive yourself into thinking that you are something that you're not?

There will be a crown of glory when I appear.
But there is a crown of thorns now.

Crucify, crucify the thoughts in your mind.

All that is lovely and pure and all together righteous and think on these things
I will lift you up.
I will exalt you in due time, in due time, in due time.
Not your time – due time.

There are too many counterfeits, too many counterfeits,
Too many counterfeits.
Be a person of a few words.
Make your words count. I said enough.

Prophetic word given July 18, 2004 – Colleen Wheeler

In the Spirit I saw a vision of the Father and a childlike adult; they were in a white painted vision. In other words I did not *see in color*, but saw them being white. The childlike adult was cuddled in the arms of the Father and their head was resting on His breast.

I heard: *kiss the Son*. Then the word came, "*Come to Me all who are weary and heavy laden and I will give you rest for your souls.*" I am your Comforter and will give you pure love. The love you are searching for is in Me. Come to Me and lay your head on My breast, I will hold you in My loving arms and you will find rest there.

After worship I saw a female hand with a diamond ring.

I did not fully understand what it meant. I opened my eyes and looked around and saw that many are single.

I believe the Lord wants to encourage those of you who are single. God has called some to be single and single minded for His Kingdom purposes. But there are others who He will give your hearts desire, according to His will. Do not be discouraged, He has a plan and a purpose for you, not for harm but for your good. With your eyes fixed on Jesus, trust that He will give you your hearts desire according to His will.

I had a vision of the battling robots game where two robots are in a ring. The ropes by one corner of the ring were down. And then I heard this, “*Stay within your boundaries because you only have authority within the boundaries.*”

I had an understanding that there were a lot of boundaries. The most important is the boundary of peace. If we go outside of that, we will get creamed. The ropes are down. We can leave anytime we want. It is our choice. Another understanding I had was we have to stay within what God is asking us to do. If we go outside of that, we will get creamed. The Apostle Paul stayed within the boundaries as he stated in his letters. He knew what would happen to him if he went out of the boundaries. We can only do battles within the boundaries.

The Lord has been giving me visions of a beachfront. There is a warning of a big wave and a big wind coming. The Lord said, “Those of you who believe and trust in Me, hold hands, be steadfast and do not move.” This is not a tsunami wave of destruction or anything. This is a band of angels that are coming just blowing over with faith, with hope, with love and with peace.

“It’s all a matter of trusting in Me and truly believing in Me. Those who want to run, don’t run. Be steadfast and have faith in Me.”

There is a new sound; a new song. There is something new that we have never heard before that is going to blow through this ministry. I had a dream about it.

He can just give someone with no experience, musical ability and play the piano just like that. It’s something new. It’s not anything that we can throw in a box and look at. It is coming. The youth are a major part of it.
